MERCURY WALL LIGHT

DESIGNED BY **JEANETTE HOLDGAARD**

THE MERCURY LIGHT IS AN ART PIECE ON THE WALL. WHEN THE LIGHT IS ON, MERCURY GLOWS AS A BEAUTIFUL LUNAR ECLIPSE. THE LAMP IS MOUNTED ON THE WALL WITH A SHADE THAT COVERS A CIRCULAR LED LIGHT. ON THE SHADE, THE INDIRECT LIGHT CAN BE DIMMED TO CREATE A MUTED ATMOSPHERE. WITH ITS GRAPHIC EXPRESSION, THE LAMP CREATES A WORK OF ART WHETHER THE LIGHT IS ON OR OFF.
