SENTRUM SIDE TABLE

SOME CAPTIONS

- Sentrum side table is ideal in lounge settings or as a bedside table. Use the ingenious storage space for your favourite books or magazines and add a personal touch on the tabletop.
- With its muted colours, Sentrum adds a subtle touch to your home. Place it at an angle to show and expose all of the harmonious shapes and lines while making it personal by adding all your favourite pieces.
- Sentrum is designed to integrate and interact with people as a part of their daily life. The S-shaped construction makes the small side table the centre of attention while creating two functional spaces for storage on both sides to enhance the usability of the side table. Ideal for magazines and books.
- The Sentrum side table follows the principle of simplicity as it has been stripped from all unnecessary elements. What is left is a strong base and geometrical expression with pure functionalities. Sentrum is ideal for lounge settings or as a bedside table.
- Maximilian Schmahl and Fabian Schnippering are two talented German designers who studied product design together where they established a shared profound love for decisive details and soft shapes. Together they created Sentrum - a side table that offers a playful form of storage. Let Sentrum add a distinct touch of well-thought design to your space.
